Located in the heart of the automotive industry, the PlanetM Landing Zone provides a physical entry point for global mobility startups interested in doing business in Michigan and gaining access to the vast network of automotive companies, testing infrastructures, talent and R&D centers.

The Landing Zone is designed to provide:

**Mobility Hub**
Subsidized and flexible co-working space that facilitates day-to-day encounters with like-minded mobility startups, industry, and other decision makers

**Events**
Access to curated events, tours, delegations, and other exclusive opportunities to connect startups to established automotive industry, investors and other decision makers

**Industry Connections**
Strategic introductions to global automotive firms based in Michigan

**Professional Services**
Access to a network of expert partners that can assist with a wide range of issues including legal, capital, talent and marketing

**Network**
Strategy and support tapping into the statewide economic development network to support company growth

**Marketing Campaign**
Exposure being a part of the global PlanetM marketing campaign

Founding Partners:
MICHIGAN.
WHERE BIG IDEAS IN MOBILITY ARE BORN

Are you a mobility startup or global automotive company with autonomous, connected, electric or shared transportation technologies? Apply to be a part of the PlanetM Landing Zone to connect to the Michigan mobility ecosystem.
